

**REMARKS**

The present supplemental amendment is submitted in response to the Office Action entered on July 3, 2007. A previous amendment was submitted for this application on January 3, 2008. The undersigned attorney conducted an interview with the Examiner on January 9, 2008, in which both attorney and Examiner agreed to file a supplemental amendment. The present amendment is submitted accordingly.

It is respectfully submitted that the present amendment is an adoption of a suggestion by the Examiner, and is thus proper under 37 C.F.R. 1.111(a)(2)(B). Therefore, it is respectfully requested that the present supplemental amendment be entered.

In view of the present amendment and the previous amendment submitted on January 3, 2008, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

If, for any reason, the Examiner finds the application other than in condition for allowance, Applicants request that the Examiner contact the undersigned attorney at the Los Angeles telephone number (213) 892-5790 to discuss any steps necessary to place the application in condition for allowance.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing Docket No. 393032039100.

Dated: January 11, 2008

Respectfully submitted,
